The Company may, at its discretion, submit samples to an independent laboratory (e.g., ACS Labs, Reno, NV) for verification. Product that fails to meet Specifications may be rejected within [NUMBER] days of receipt for replacement or refund.

8. **Representations & Warranties.** The Manufacturer represents and warrants that the Products will (a) conform to the Specifications and applicable COA; (b) be manufactured in compliance with applicable law; and (c) be free of undisclosed contaminants. Each Party warrants that it has full authority to enter into this Agreement.

9. **Intellectual Property.** Each Party retains ownership of its pre-existing intellectual property, trademarks, and brand assets. Nothing in this Agreement grants either Party rights in the other’s marks except as expressly stated.
